PROFILE

Professional experience in digital marketing, content, advertising-focused graphic design, operations, customer service and website management. Web development skills demonstrated through functional personal projects, with AI-assisted development.

PROFESSIONAL SKILLS

Digital marketing and content
Graphic design
Website and e-commerce administration
Customer service and operations
Digital content management
EN-PT translation
IT support

TECHNICAL - PERSONAL PROJECTS

HTML, CSS, JavaScript, TypeScript and Astro. Validation, testing and web deployment demonstrated through personal projects.

CAREER INTERESTS

AI Automation & Digital Operations; Web Development; AI-assisted Software Development. AI, API and cloud integration are interests, not demonstrated commercial experience.

LANGUAGES

Portuguese (native)
English (advanced)
Spanish (intermediate)
French (basic)

PERSONAL PROJECTS

Public demos and source code via the Portfolio. Fictional scenarios, not commercial results.

Smart Clinic Assistant
Administrative demo with fixed fictional identities and messages, filters and statuses. Astro and TypeScript; no backend or authentication.

PRISMA
Fictional campaign dashboard with eight metrics, filters, charts and CSV. JavaScript, testable calculations and data visualisation.

Pauta
Editorial tool with briefs, editor, library and planning. Deterministic templates without generative AI; local persistence and backups.

Forma & Grão
Four-page website for a fictional workshop, with validated form and TXT download. HTML, CSS and JavaScript; no message delivery.

PROFESSIONAL EXPERIENCE

2020-2022 | Digital Content Manager | Freelance Translator
Website back-office and social media management; digital, promotional and advertising content; translation from English into Portuguese.

2015-2019 | ForbabiesBrain Clinic | Operations
Day-to-day management of a baby spa focused on multisensory development in an aquatic environment. Customer service, bookings, website and online-store administration, social media, and promotion of services, events and workshops.

2010-2013 | Digital Content Manager
Website back-office and social media management, including creative and advertising content.

2009-2010 | Vasco Coutinho - Graphic Printing
Support across a range of tasks in the graphic printing sector.

EDUCATION

2023-2024 | Technical Course in Communication and Marketing
Porto Vocational Training Services.

2005-2008 | Communication, Public Relations, IT and Advertising
Profitecla Vocational School.
